

Membership Report

AUGUST TOTALS: MEMBERS: 68
ASSOCIATES 44

Next month we kickoff the annual Sierra Nevada Republican Women's Club Membership Drive for 2024. **The most important thing is YOU!** We want to keep you as a valued member! So please be prepared to renew your dues starting in October.

EXCITING NEWS: We have a great surprise gift planned for any new members you recruit. Please bring guests to meetings during the next several months. It's also a good idea to keep a few copies of our SNRW information brochure or rack cards with you to share with conservative women you meet. (Please see me for a supply of these items.) And don't forget to invite those non-partisans to come and see what we Republicans are all about.

The importance of every citizen being registered to vote needs to be stressed, and remind people to verify that they are listed with their party of choice. There was a period recently when the DMV automatically marked new people moving into the state as "non-partisans" unless they stated otherwise. This may explain why Nevada now has more of them than Dems and Republicans combined. *Remind them, non-partisans cannot vote in the Primaries.* It's a good idea for everyone to check their status now for the all-important presidential primary coming up in February! That can be done easily by going to the website www.nvsos.gov/votersearch.

Another item coming up in 2024 is a possible change of venue for our monthly meetings. We invite your comments and suggestions on where you'd like your club to meet, whether or not we should go back to holding luncheons, and any other ideas you have to share. **Please send me your feedback this month at: rumblernews@gmail.com.**

Anita Kornoff
2nd V.P. President of Membership

Important: Next Year's SNRW Board of Directors Election

Hello SNRW Members,

I am happy to announce we have formed a nominating committee to find the candidates for offices on our Board in 2024. A big thank you to Anita Kornoff, Charlene Close, Judy Bergandi, and Sondra Condon for volunteering.

Some of our officers are willing to work another year in their positions, and Charlene Close has accepted the nomination for Corresponding Secretary.

However, we still need to fill two extremely important positions, They are President and Treasurer. Both Natalie and Sue have done a wonderful job, but are unable to continue into 2024.

We ask that you review the job descriptions on the next page and thoughtfully consider stepping forward to serve on the SNRW Board. Not only will you be helping your club, but you will gain a rich life experience. Please call one of us if you think it is something you would like to do. We will be happy to answer any questions you have and look forward to your calls.

Pat Smith, Committee Chair

Thank You Republican Information Table Volunteers!

Minden Farmers Market

A big shout-out to all the SNRW volunteers who helped the Central Committee staff the Republican Information Booth at the Minden Farmers Market this summer.

We made a positive impact sharing information, handouts, voter registration opportunity, and engaging with the community. SNRW had a reciprocal relationship with local business Kettle Corn's owners, Rick and Kelly Miller, who discounted their product, enabling us to pass out free Kettle Corn to those who stopped by our booth.

Vote to restore America's principles

1 Timothy 2:1-2

First of all, I urge that petition, prayer, intercessions and thanksgiving be offered on behalf of all men, for Kings and all who are in positions of authority or high responsibility, that (outwardly) we may pass a quiet and undisturbed life (and inwardly) a peaceable one in all Godliness and reverence and seriousness in every way.

The Bible tells us to be good citizens. As good citizens in the USA, we should not leave the operation of government to ungodly men. How can we prevent that? One way is to vote and then use our vote wisely. We will be accountable to God for how we voted. So, pray that we could vote wisely for the proper candidates and the right issues. Should we not assume that if the Lord would have us pray for our leaders, would He also want us to use every opportunity to assist in electing the leader that would be the best for promoting and restoring America's principles?

Patriot Day or Patriots' Day?

By a joint resolution approved December 18, 2001 (Public Law 107-89), the Congress has designated September 11 of each year as "Patriot Day."

Shortly after he was sworn in as President of the United States, Donald Trump took one of his first presidential actions—signing some paperwork.

Among those documents was a proclamation for a National Day of Patriotism. President Trump further declared the following:

*On September 11 in observance of **Patriot Day**, the flag of the United States of America should be displayed on the homes of Americans, the White House and all United States government buildings. The flag should be flown at half-staff as a mark of respect to those who died on September 11, 2001.*

PATRIOTS' DAY is the 3rd Monday of April and is an annual event, formalized as a legal holiday or a special observance day in six states, commemorating the battles of Lexington, Concord, and Menotomy, some of the first battles of the American Revolutionary War.
